113	8- over the weekend I know if I leave my spot to not come back until after 6pm	9/26/2016 12:53 PM
114	10 - more and more it's becoming a chore to find parking, driving around sometimes for 30 minutes to find a spot. I don't mind walking far from my spot, but many times there isn't any parking available. I've also witnessed harassment toward other locals who are obeying speed limits by other locals posing to be some sort of patrol. When I go to do laundry and park at the laundromat parking, residents are quick to tell me I cannot park there. But I'm doing my laundry for an hour, yes I can park. I understand we are all frustrated with the tourists but please remember to back off of us locals! Large vehicles such as vans, busses, wagons, RVs and taco trucks (who park for days at a time) should please move down the road and let those of us who need a quick grocery trip a spot. I thank the Sheriff when I see him handing out parking tickets. Parking illegally can cause accidents for cars trying to drive or take a turn. It's known amongst tourists that you can typically get away with illegal parking. Well let's make it known that you will indeed get a hefty fine. This is not a campground, this is a downtown area for doing business and enjoying our park, beach, restaurants, library, community center and beloved saloon. If you are long term parking with your big rig, move it somewhere else. And clean up your trash when you go to the beach! So much disregard for those who live here.	9/26/2016 12:36 PM

121	10. I feel that I can not go downtown on weekends	9/26/2016 7:22 AM
122	10 - parking unavailable to visit local merchants and us postal on weekends.	9/25/2016 8:25 PM
123	10 - mostly due to surfers. We should have parking off site for visitors and shut down downtown for residents only.	9/25/2016 9:00 AM
124	7. More crowds . More cars. But my view is that we should embrace the out of town visitors. They are the primary reason for vibrant business activity, increasing property values, our personal net worth increasing, and a lot of other benefits. Yes it can be frustrating, but net it is a strong positive. And I think most locals appreciate this but many do not , and I have personally watched some undesirables be extremely rude. Maybe a survey subsequent to this one should be considered to address the what we should do with these out of control locals , often drinking, often on dope, often foul mouthed, etc.	9/24/2016 7:43 PM

166	it's gotten worse than 10 since the surfers discovered Bolinas	9/20/2016 11:19 AM
167	Extremely bad. When I come down to shop or teach many times there is no parking available	9/20/2016 11:10 AM
168	10, parking is impossible on the weekend as well as all the roads around town. I try to stay at home on the weekend	9/20/2016 10:31 AM
169	10 on weekends on Wharf, Brighton and Terrace cars are parked everywhere. On Terrace no way can emergency vehicles get through.	9/20/2016 10:09 AM
170	6: just a lot harder to find parking	9/20/2016 9:50 AM
171	6, there are times you just cant go to town. by car.	9/20/2016 9:46 AM
172	10. Good weather weekends in 2006, parking could be found without issue.	9/20/2016 9:22 AM
173	10 It used to be only bad on three day weekends in the summer. Now it's bad on the rainy weekends in the winter	9/20/2016 9:00 AM
174	10	9/20/2016 8:18 AM
175	9	9/20/2016 7:56 AM
176	10, clearly out of control and illegal parking all over downtown, Brighton, Park and Olema Bolinas.	9/20/2016 7:54 AM
177	yes, we avoid downtown Bolinas on the weekends, miss out on many art museum opening these days.	9/20/2016 6:45 AM
178	10. I'd rather drive to mill valley to grocery shop than drive in circles for 45 minutes trying to park downtown	9/20/2016 5:05 AM
179	5	9/20/2016 12:41 AM
180	10. I have given up on driving downtown on weekends with good weather and/or good surf. I walk instead, which is good, but I observe an abundance of cars parked not just illegally but unsafely. Examples include parking on both sides of Mesa Rd; cars parked half on the shoulder and half on the Olema road between the Resource Recovery Center and downtown, forcing passing cars to cross way over the yellow line just to get by; cars parked illegally on Terrace intruding so far into the road that a fire truck couldn't possibly get by. On the day before Labor Day 2015 I rode my bike down Terrace/Park. As I came out of the blind turn at the bottom of park, three cars were parked side by side, completely blocking the road! I had to brake so hard that I flew over the handlebars onto the asphalt, earning 2 broken ribs, a concussion, and 2 respectable road rash/burns. I'm very glad I wore my dorky helmet that day.	9/19/2016 11:26 PM
181	10, out of control	9/19/2016 11:12 PM
182	10, I don't do much business in Bo except the hardware store since I can NEVER find parking. Hardly even at the post office. Parking on the weekend is impossible. I won't be attending the meeting on Sunday because no parking will be available at that time either.	9/19/2016 11:06 PM
183	Much more crowded esp on weekends. I avoid downtown on weekends for this reason. Bummer.	9/19/2016 10:59 PM
184	Way too many surfers, not only parking but just standing in the road with boards and showers that block traffic. just rude!!!	9/19/2016 10:51 PM
185	10, I can not even go downtown to buy groceries b/c there is no where to park. When I double park I get yelled at.	9/19/2016 10:37 PM
186	10 It took me 45 minutes to find a parking spot on a Sunday afternoon at 5:00pm recently.	9/19/2016 10:37 PM
187	9 parking is not good on weekends. I like to go to the library of on Saturday morning with my kids and I have a difficult time parking. I also like to go to the beach however again this is challenging on the weekends due to no parking.	9/19/2016 10:27 PM
188	10 on weekends	9/19/2016 9:57 PM
189	10 I no longer attempt to shop downtown on the weekends	9/19/2016 9:48 PM
190	Awful	9/19/2016 9:33 PM
191	10. Parking on weekends downtown is impossible! If I need something from the store, I ask someone to go with me so that one person stays in the car while the other shops. If I want to go to an event, I park on Overlook and walk down. (I live at Agate Beach, so walking can take a long time.)	9/19/2016 8:59 PM
192	far worse, especially in the last 2 years. I don't even go downtown on the weekends.	9/19/2016 8:38 PM
193	For the most part I do not go downtown on the weekends. However when I do, I am always able to find a parking place. It just is not in front of the grocery store (or post office) when I need to buy a quart of milk. But I live here, why do I need to go downtown on the weekends unless there is an event? And then I can find a place somewhere. Not a big deal.	9/19/2016 8:06 PM

194	10 - I generally won't venture downtown on the weekends anymore	9/19/2016 8:03 PM
195	7 over the last five years on weekends	9/19/2016 7:54 PM
196	10 - the campers living on Brighton only make it worse and cause a danger with too much traffic and various campers hanging around. The small kids/family have created an even more dangerous situation by not watching their kids..and many cars coming and going. the campers also take up too much room so even the locals have trouble parking.	9/19/2016 7:52 PM
197	Many, many more cars everywhere in town and in the world at large. I'm resourceful and don't mind walking. Days not allowing cars down town are coming and one good solution.	9/19/2016 7:29 PM

1	not being able to get groceries or have lunch at the Coast Cafe because parking is unavailable, not just difficult: unavailable. how is it ok that residents of this town can't even go downtown to get groceries because there are so many visitors taking the parking spaces?	1/1/2017 11:10 AM
2	We sometimes block our own driveway to prevent our other cars for being parked in by tourists	1/1/2017 12:56 AM
3	There are 6 handicapped accessible parking spots in downtown Bolinas. The gas station spot is virtually inaccessible because of its proximity to the pumps and the air compressor but my biggest complaint is about the spot at the Bolinas community center which drivers purposely abuse with abandon by parking in that little space that is not actually a spot and by parking in the no parking striped zone which incidently exists for wheelchairs to unload. The two drivers who are parked there now have made it impossible for a disabled drive to even park a car in the disabled space	12/17/2016 4:16 PM

23	We need to address parking, encouraging outside visitors, home rentals, music venues, museum shows, art shows. If we are going to keep inviting visitors then we will keep having a parking problem. A lot of the problem stems from social media sites that entice people to visit. But, I should not have to give up driving to town just so a visitor/surfer has a parking place.	9/19/2016 10:51 PM
24	It would be nice to have a five minute zone in town so I could get a quart of milk or some such thing. As a local I find it difficult to do the simple pick up---but not impossible. It must be very short term! 15-30 minutes is too much. We live here, why would we spend 30 minutes downtown on a weekend for something we could get done earlier in the week? That is why i give you the quart of milk example. If you need to park for longer than that there are spaces further away.	9/19/2016 8:06 PM

1	very negative. i like to surf; on the weekends i can't drive to town with my board because there is no parking. i already mentioned the grocery store/restaurant thing being impossible on the weekends, too because of all of the visitors taking parking places.	1/1/2017 11:10 AM
2	Being on the main thoroughfare into town I have deffinatly noticed more cars. And some of them go VERY FAST. it would be nice to have slow bo signs reminding people to slow down on the lagoon road and /or a "hidden driveways" signs. 1	Camping in vehicles parked in Bolinas should not be allowed unless we create a designated campground.	1/1/2017 12:38 PM
2	enforce the existing laws: people need to move their vehicles every three days, i think. but they don't. enforce that law and i think a lot of these people will go elsewhere.	1/1/2017 11:10 AM

28	It should not be allowed! They should be forced to move their cars ever 48 hours. Not just move up two inches. We have had the same people sleeping in front of our house for three months. And these huge campers take up parking for people who want to come visit Bolinas or guests we may want to have over. All parking across from our house is full of campers or people sleeping in their cars. However there are also (especially recently) some very scummy, druggy and very unpleasant ones coming, and that has got to be nipped in the bud! The problem is if you call to complain, all are effected, when there are some who have every right to be there, and are more neighbors than the empty houses and airbnb rentals.	9/22/2016 4:52 PM

78	No, I think there should be a separate committee to deal with this issue as the solution is to provide short term overnight parking in a location other than downtown. People that have been parking longterm downtown need to be relocated within the community somehow as this is not a sustainable situation for many reasons. This town needs to find a way to have a well run trailer park to provide low income housing.	9/19/2016 7:27 PM

1	we need residents only parking areas.	1/1/2017 11:10 AM

3	Accessibility for the "disabled"/diversabled" community has long been an issue in Bolinas; I feel like respecting the limited space available to increase accessibility is the first of a series of steps our town can take.	12/17/2016 4:16 PM
4	I understand we have to maintain beach access but permanent street residence invites an at risk population with little or no ties to the community,difficulty policing group, unsanitary conditions as few have facilities.	12/17/2016 1:40 PM
5	As a former Van dweller in San Francisco I am very happy that it is no longer illegal to sleep in a vehicle in marin. It is a crazy time where all over there is not enough affordable housing for our community members. Living in a house on wheels can be and must be done in a respectable manner to the surrounding community. Those in that situation are much more vulnerable to harassment from house dwelling neighbors and others and must be respected as any other house dwelling neighbor . I am low income and could end up in such situation if my current housing got pulled out from under me. It gives me comfort to know that I could live in a house on wheels and stay in my community if a traditional home is not available.	12/16/2016 7:17 PM
6	Create resident parking spaces. arrange parking outside downtown for tourists with shuttle, I'm interested in being a part of trying to find a solution, Peter Turner, 415-497-8081	12/13/2016 4:05 PM
7	The parking permit and paid parking needs to be considered delicately. If there is a way to have visitors to Bolinas pay or park further away and have residents to have permits without having to pay money that would be more fair. It isn't fair to make residents pay for permits when people come and take the parking to visit while they surf and then block the road. I'm for visiting surfers to park by firehouse and shuttle on weekends. Maybe allow only 10 parking spots downtown for surfers and people cannot change in the middle of the street.	12/13/2016 3:39 PM
8	As a homeowner, I am sensitive to the increased cost of living in Bo and the challenges of renting, but I do not feel safe when I am alone at home given the increased number of people living in their vehicle. Often we see people "bathing" outside our house, cooking, and being hostile towards others who want to park on Brighton. We have always cherished the local flavor of Bo, but this is reckless, and I am concerned it will lead to safety issues. As a mother, a conservationist, and a lover of our community, I want to work with the community to create solutions.	12/13/2016 3:26 PM
9	To allow our streets to turn into permanent parking has increased crime, blight and danger to our children. Its totally irresponsible	12/13/2016 3:17 PM
10	I feel very strongly that residential parking should be implemented in the downtown area. The so-called "visitors" are mainly going to the beach and NOT giving anything back to the local businesses or community. In addition, I believe parking PLACARDS not stickers would be the most effective for residents using potential resident parking downtown. Many many households are multi-generational and have many vehicles but don't take more than 1-2 downtown at any given time. Thank you for this survey it is much appreciated! The issue needs to be addressed	12/13/2016 3:12 PM
11	Use BPUD land around the recovery center for more parking area	12/12/2016 9:58 AM
12	We are fortunate to have a lot area to park our cars off the street, so we aren't as affected. We live on Brighton, so do see cars backing up to get to the beach in the summer to drop off people and equipment. Many times people park illegally and figure they'll either get ticketed (or maybe no ticket). It seems dangerous driving by the tennis court for how the cars are parked there. It is so unattractive to see all the longterm cars/trailers/motorhomes that remain in the same parking areas for months on end. Not fair to people who live in their homes when parking spots are taken up permanently by so many types of vehicles that never move.	12/12/2016 9:05 AM

19	Brighton is now a homeless parking lot and Wharf road has no parking on weekends or summer days	12/10/2016 5:17 PM
20	driving way too fast	11/27/2016 3:22 PM
21	RVs, campers, and customized vehicles stay too long, sometimes for months, with families including small children living in them. There should be a limit to how many nights people can park on Wharf and especially on Brighton.	10/23/2016 8:13 PM
22	I think that the Mesa Park parking lot should have a shuttle on the busy weekends and holidays for tourists, who would be directed to park there. Events such as with the Museum could make an effort to compensate for increased parking problems that are caused in town.	10/21/2016 3:55 PM
23	have our own parking ticket authority .	10/19/2016 10:36 PM
24	Why not have parking available for "day" visitors only by the tennis courts for 1-2 hours (between 7am-6pm unless you have a resident permit). All other "day" parking is only available at Mesa Park. Visitors can drop their families off at the beach, park up at Mesa Park and then walk down. All other spaces downtown are for local residents only with parking permit. If you don't have a permit you have up to 1 hour to be in a downtown parking space. All enforcement fees go to the Bolinas Land Trust and affordable housing.	10/16/2016 8:31 AM
25	A local job created for parking enforcement. The fines made available to a shuttle service and /or the home on wheels park.	10/15/2016 2:31 PM
26	Not sure how much enforcement of parking rules is likely. some designated parking area for visitors would be a very helpful solution and generate revenue for the town.	10/14/2016 4:21 PM
27	Brighton Ave looks like a camping zone most of the time. I think the parking of large campers, storage cars, and trailers should be better controlled and discouraged. I have witnessed children living in vehicles parked on Brighton for extended periods, which seems both unsafe and inappropriate.	10/14/2016 2:33 PM
28	Bolinas is a beautiful place with a unique and positive sense of community. As people who have lived in our car for a short period of time, and now live in a rental apartment, we do not feel the car-living section of Bolinas should be the sacrificial lamb of the current parking crisis. Hometowns need homes, for new and old residents.	10/12/2016 10:12 PM
29	I have always felt that the whole area by the hardware store could be reconfigured to have some very nice additional parking and there could be a cost to park that would benefit the Bo Community Center. It is begging for better use and a very simple redesign that could get more cars off the street and create more funding for center. I so see how it could look and it could be lovely.	10/12/2016 1:58 PM
30	The cars with people living in them is going to become a very volatile problem for our community.	10/12/2016 1:58 PM
31	Thank you for doing the survey and taking on the issue!	10/10/2016 11:33 PM
32	I'd move back someday if the parking issue was addressed	10/10/2016 6:37 PM
33	make some rules and stick to them!	10/10/2016 4:21 PM
34	Palo Marin -- needs a parking plan - and maybe a reservation system and maybe no loud music or tour buses	10/10/2016 3:34 PM
35	The biggest issue is the overnight parking by people who live in their vehicles. They take up spots and generally damage the environment. If overnight parking is prohibited downtown, it would make sense to make more prominent the signs prohibiting beach overnight sleeping - that seems to be happening more frequently.	10/10/2016 10:38 AM
36	please focus on more traffic calming/speed bumps	10/10/2016 10:13 AM
37	Businesses that are on the streets and have designated parking spaces need signage to keep people from parking for hours and hours while they go to the beach.	10/10/2016 10:03 AM
38	Please address the campers issues. This is illegal in Marin. Making them move around will significantly help our parking situation in town. Or make that parking 4/6/something hour limit unless you have a permit. Then visitors/surfers could park and campers could not.	10/10/2016 9:36 AM

39	I am not in support of satellite parking at Mesa Park. It brings noise, traffic, garbage and sometimes inebriated adults into the park and into their cars near children. The park primarily should be a safe place for kids to play.	10/10/2016 9:14 AM
40	new surfers seem not to care about the town. Too often see RVs, trailers, big trucks go down Wharf Rd and get stuck-trying to back out or turn around they back up the whole town's traffic. Great to have a parking area for people who work downtown.	10/8/2016 2:51 PM
41	non-residents need access to california's (their) beaches, locals enjoy access every day	10/8/2016 2:21 PM
42	Illegal parking, speeding by locals and others on Terrace. Unlicensed off road motor cycles with no mufflers and no lights out of control. There needs to be a Terrace Ave representative on the committee	10/8/2016 9:20 AM
43	We don't need to create a way to make more parking to accommodate more tourist traffic. We need to make it clear that this is a pro resident community, and there isn't available beach parking. Our town can only accommodate some tourists, and they need to get the idea, and stop coming, or carpool themselves, walk or bike. Nit sounds strange, but it's what they have created for residents!	10/7/2016 5:18 PM
44	we are headed for trouble!	10/7/2016 1:42 PM
45	This survey is not geared for part time residents!!!	10/6/2016 4:47 PM
46	parking dangerously is an issue and there does not seem to be much parking enforcement?	10/6/2016 4:32 PM
47	Do we think that having the bathroom open 24 hours incorages camping/ sleeping in vehicles? I see many people who live illegally on the Mesa come here in the am to use the bathroom.	10/5/2016 8:20 PM
48	Thanks for your work on this! Appreciate it.	10/4/2016 1:02 PM
49	My two biggest issues are safety (emergency vehicles etc.) and livability (able to park and go to John's on the weekend if I need something. I think the people living in cars should be addressed separately-two very different problems, just both involve vehicles.	10/3/2016 10:21 PM
50	Fines and/or towing for people living in vehicles	9/29/2016 8:36 AM
51	As the "Milleniums" get drivers licences and cars there are a lot more people needing nature, and they look here. Reduce world population.	9/28/2016 4:24 PM
52	I think all parking spaces downtown should be numbered and be paid using a European style pay stations strategically located along with one free parking residential sticker allocated to each household. Paid parking should be mandated for weekends only, with funds going to the town. The system should be monitored as it is in other parts of the county.	9/28/2016 10:50 AM
53	Thank you for all your hard work!!	9/26/2016 4:25 PM
54	I understand that the Coastal Commission wants equal access for all to the beach. However, there is not the parking to support that, so I feel that they must address the situation. Also, advertising the area needs to be much more limited with realistic expectations for parking.	9/26/2016 2:54 PM
55	Seems like locals need easier access, esp those who live downtown..Thanks for doing this work	9/26/2016 2:40 PM
56	Increase price of ticket for illegal parking and have percentage go to Bolinas. Increase no parking areas. Consider taking on ticketing by community residents given authority and pay them for time (must be willing to attend traffic court , I suppose!)	9/26/2016 11:02 AM
57	great job	9/26/2016 7:52 AM
58	It all comes down to enforcement. Bad parking days are largely predictable based on swell, temp, and day of the week. We need to get the sheriff to enforce the rules currently on the books.	9/26/2016 7:37 AM
59	I disagree with creating more parking or opening up the firehouse parking with shuttle. Bolinas is congested with people as well. When a small area is full its FULL.	9/26/2016 7:22 AM
60	Thank you for doing this! I agree with satellite parking and visitors can walk or bike into town. Free 15-30min parking downtown. resident parking and gate the roads at weekends (We were the first gated community in West Marin on Brighton - get it back please and wharf rd too!)	9/25/2016 9:00 AM
61	I think we should re train locals to embrace the wonderful benefits of higher visitation. The downsides are really a small price to pay.	9/24/2016 7:43 PM
62	I don't want to scare away visitors, but there is only so much traffic (people and cars) that this small town can cope with.	9/24/2016 12:16 PM
63	thank you for conducting this survey, having worked down town on weekends and as a resident wanting to participate in town functions, I find ways to make it work but get frustrated that our local businesses seem to have less traffic by locals on weekends and do witness a town demographic shift on weekends with very little parking for any	9/24/2016 11:02 AM

64	I'm strongly in favor of residential parking permits- this is done in beach communities around the country, because it's necessary.	9/24/2016 8:33 AM
65	Parking stickers for residents!	9/24/2016 8:32 AM
66	instead of claiming to be socially advanced as a group, actually practice it. most of us would be fucked, if all tourists just got fed up with the local attitudes , I personally witness this nonsense daily . Socially ignorant locals ought to leave our town, or smarten up	9/23/2016 7:35 PM
67	Having a weekend shuttle is the best option!!	9/23/2016 5:00 PM
68	Minimally mark green 30 minute zones by the post office, and markets	9/23/2016 3:45 PM
69	Please help fix our horrible traffic! I need to be able to drive downtown and park to get a quart of milk etc. I am unable to walk downtown and have a 'disabled' sticker.. Elders need 'protected' parking.. more than the 2 spots designated for elders.. We are into the 'graying' of our community, and will soon be a population of well over 50.. We need to accommodate these folks..	9/22/2016 12:18 PM
70	Abandoned or derilict vehicles or trailers use for business or personal storage.	9/22/2016 10:30 AM
71	This survey seems more geared towards downtown residents and businesses.	9/22/2016 7:17 AM
72	I think there should be a shuttle from Mesa park in the summer and on weekends, and local parking for locals. I also hope that the police are not involved to much, it would be great if we had a group of locals to do some of the work if that's possible.	9/21/2016 9:59 PM
73	More shuttles from mesa park on busy summer weekends. Folks with bike taxis to help those get to businesses with groceries or to help transport gear to the beach.	9/21/2016 8:54 PM
74	I like Ananda's van on brighton- but too many vans there crowd out parking. **It's hard to know what I'll support let alone to what degree--like where could more parking downtown be created-it's so cramped? I need to see pros & cons	9/21/2016 5:39 PM
75	Thank you for undertaking this survey and this project, very much appreciated	9/21/2016 5:01 PM
76	have police here-- TOW	9/21/2016 4:26 PM
77	Thanks for addressing this issue!	9/21/2016 2:35 PM
78	I would change nothing.	9/21/2016 1:58 PM
79	Green Curb at Post Office & General/People's Store. Resident Parking Stickers. Gatehouse at/near Star Root Farm for parking fee for non-residents...extra fee for surfboards	9/21/2016 12:03 AM
80	Closing downtown for "local traffic only" and let non local parking br funneled towards the tennis courts.	9/20/2016 11:41 PM
81	Employ full time parking enforcement personnel with revenues remaining in Bolinas.	9/20/2016 5:11 PM
82	Thank you!	9/20/2016 1:52 PM
83	I don't think the surfers should be undressing in the streets	9/20/2016 11:19 AM
84	Maybe locals should have some sort of tag and there should be (like handicapped parking) desinated parking spaces for the locals. Visitors should park by the firehouse and walk or shuttle. How to work all this out???? Thanks you for your efforts and concern.	9/20/2016 11:10 AM
85	Revenue could be raised by using Mesa Park on weekends as a parking lot for visitors with shuttle service. We need Marin County to pass an ordinance against vehicles parking and living in their cars/campers for weeks or months at a time.	9/20/2016 10:09 AM
86	It was hard to answer many of these questions meaningfully, because many were specifically aimed at downtown residents or business owners, and I am neither.	9/20/2016 9:50 AM
87	Beyond the parking issues, we also have an big issue of the campers overnighing or even longer on downtown streets and in the Mesa Park lot. Many of these "campers" are quite frankly junk on wheels. I'm not sure why our community is so lenient about letting all of these campers stay here. It seems like since no campers are aksed to leave more just keep coming because the word is getting out that Bolinas is the place to park their "campers". There often large campers take up many parking places that can legitimately be used by cars that do not camp here. As far as the parking spaces downtown, I think we could create more if the spaces were drawn in a more space effective way. We could fit more cars in some spots if that happened.	9/20/2016 9:22 AM
88	I'd love to see downtown car free other than half hour parking on the weekends. This way locals could do their shopping and get mail and folks could drop off gear for the beach . People staying for longer could park at Mesa park and take a shuttle back down.	9/20/2016 7:56 AM

89	I'm not sure how or where this could be provided but short term car parking for people living in their cars but no long term car parking	9/20/2016 5:05 AM
90	get the campers/trailers off Brighton. create parking lots on the BPUD land currently used for vegetable growing.	9/20/2016 4:29 AM
91	Consistant enforcement of existing law would help a lot. That was part of our original plan. We who benefit would have to be the ones to pay for the change, not the law breakers, us. That is the law.	9/20/2016 12:41 AM
92	The sections of Terrace, Park, Mesa Rd, and the downtown terminal section of the Olema road currently marked No Parking or No Parking \$99 Fine should be re-designated No Parking Tow away zone, which should be vigorously enforced to promote public safety.	9/19/2016 11:26 PM
93	I am saddened to see the downward spiral of parking in Bo, increase in trash, people dedicating in the bushes behind the post office and being solicited for funds from the drunk in front of the liquor store. Bo has all the issues of a major city squished into a very small space.	9/19/2016 11:06 PM
94	I fear ugly signage but also support some restrictions/preference for locals if enforceable. I think illegal parkers may feel the cost of a ticket is just the price of surfing or whatever, which offends me bc so disrespectful of our community. Again, thank you for undertaking this survey!	9/19/2016 10:59 PM
95	Let's limit over the hill advertising, limit Airbnb. We have created our situation. We may just have to live with it. We have become captives in our own community. I support, whole heartily question #22, let's do it now!	9/19/2016 10:51 PM
96	I think we are reaching a tipping point. Safety and frustration come to mind. We can't keep people out but can provide relief for the tax paying residents of this town.	9/19/2016 10:37 PM
97	I like a resident parking program! Not sure why dangerously parked cars are not regularly towed? How about a BCLT valet parking service as an option for out of towners to get dropped off at the beach, their car driven to skate park parking lot and then returned for a fee to benefit BCLT?	9/19/2016 10:27 PM
98	Pressure our County Supervisor to implimnet a parking plan.	9/19/2016 9:57 PM
99	The sewer ponds need to be a giant parking lot on the weekends with a shuttle ferrying visitors to and from the vbeach	9/19/2016 9:48 PM
100	To reiterate, it would be helpful to have the safe 5 minute parking and ticket people immediately. The word will get out if it is done a few times. Make the space obvious and decorative and gently persuasive to remind people it is quick stop. Otherwise it will not work. Locals cannot abuse it! I saw someone park at the gas station and go pick up snacks. No one in the car while they were gone. Would it work to have a residential parking sticker as opposed to a parking zone? How might that work.....maybe for the 5 min parking zone (I seem to be pretty hung up on that! ;-)	9/19/2016 8:06 PM
101	Lack of adequate parking for Smiley's also causes a big problem.	9/19/2016 7:54 PM
102	The campers and sleeping in cars must be delt with - just last week I counted at least 10 campers...plus folks using local area as bathroom.	9/19/2016 7:52 PM
103	Over nighters should go to the park	9/19/2016 7:27 PM
104	Residential Parking permits, on busy weekends, paid parking at Mesa Park, shuttle to Brighton/Wharf and tennis courts. No parking downtown without a sticker. This would provide public access to the beach.	9/19/2016 7:27 PM
105	I really think a mixture of residential only, Taurus satellite buses	9/19/2016 6:51 PM
106	I think the fines for parking illegally shd be raised substatialy	9/19/2016 6:22 PM
107	Thanks for putting thought and time into this.	9/19/2016 5:20 PM
108	Good luck folks, we worked hard to make a good 94924 plan happen before! And while you're at it don't forget the "outliers" who are a part of 94924 but live to far or are too old to walk or bike downtown. This is not just about the local business owners and downtown residents. It's about all of us and the quality of life in a small town.	9/19/2016 5:15 PM
109	I would also like to have the issue of campers, RVs, and tiny houses on wheels addressed and discouraged.	9/19/2016 5:09 PM
110	Business loose money at weekends because the tourists do not make purchases but the locals cannot park to purchase	9/19/2016 5:00 PM
111	sleeping in vehicles is a completely separate issue - it should not be included in any way	9/19/2016 4:55 PM
112	Plans requiring enforcement not likely to work	9/19/2016 4:51 PM
113	How about painting parking stalls in front of the store, coast cafe, smileys and the museum. Also, there should be a 15 min parking for people who just need to buy some milk.	9/19/2016 4:33 PM

114	Parking is so much worse now, at times the volume and exhaust from circling cars is overwhelming. People are aggravated because they can't find parking places and readily park illegally. In addition on Brighton we get large weekend camping vans who take advantage of the 72 hour free camping and the homeless campers that spend months on end around the green zone.	8/31/2016 8:59 PM
