About the Local Task Force

The main purpose of the LTF is to serve as an advisory body to the Zero Waste Marin JPA Board of Directors. As an advisory group, the LTF provides guidance and recommendations on potential actions to the JPA Board of Directors on emerging solid waste issues relevant to Marin County. The LTF also assists in the review of the JPA's Integrated Waste Management Plan. LTF members draw upon expertise in hazardous and solid waste to provide expert viewpoints, recommendations, and concerns from different geographical areas of the County, solid waste haulers/facility operators, special districts, and environmental organizations.
