Re: Notice of Insufficiency of Claim Submitted to the Bolinas Community Public Utility District on behalf of Cari McCormick.

Dear Mr. Robinson:

Your claim on behalf of Cari McCormick, received by the Bolinas Community Public Utility District on July 24, 2023, failed to substantially comply with the California Government Code §910, §910.2, §910.4 and/or §910.8. It was insufficient for failing to provide the following information:

The date, place, and facts describing the circumstances of the event, occurrence or transaction with the Bolinas Community Public Utility District which you claim caused the injury to the claimant.

The name or names of the public employee or employees at the Bolinas Community Public Utility District causing the injury, damage or loss, if known.

You may correct the insufficiency by filing an amended claim supplying the missing information listed above. You have 15 days after the date of this letter or six (6) months from the date of the alleged accident, whichever is later, in which to file this amended claim. If you fail to provide the missing information, your claim MAY be rejected and you may also lose the right to initiate a lawsuit.

Very truly yours,
