

Memo from the BCPUD Resident Permit Parking Plan Committee 1/10/25

On January 14, 2025, the Marin County Department of Public Works (DPW) will request the Board of Supervisors (BOS) to adopt a resolution to establish the specific road segments and hours where and when the Downtown Bolinas parking restrictions will apply. Bolinas parking ordinances were introduced by DPW to the BOS at an October 15, 2024 meeting and adopted by consent on October 29, 2024. The ordinances establish a 22' vehicle length restriction and overnight permit program in downtown Bolinas.

The current DPW request to the BOS is agenda item #9 for their 1/14 meeting. The details to the agenda item include a DPW staff report, the proposed resolution and a map of the area covered by the resolution. Only portions of the downtown streets are subject to the parking ordinances.
