

## **Resident Permit Parking Plan Update**

- All permit applications have been received
- Parking permits are being distributed
- 78 permits have been assigned
- The County of Marin is planning to install the signs at the end of May/early June
- County met with some of the residents in the area to discuss placement of the signs so that there is minimal impact on residential views
- No overnight parking for vehicles over 22 feet still in place
- All vehicles must move after 72 hours still in place
- Reminder that the permitted parking restrictions will be from 2:00am to 5:00am on select portions of Brighton and Wharf (see Map below)
- If your vehicle does not display a permit in the restricted zones, you may get a parking ticket
- There are sections of street within the zones that overnight parking will still be available to all vehicles under 22 feet in length (again, see map)
