

August 7, 2025

Hello BCPUD,

I, as well as many of my neighbors and other residents in Bolinas, am concerned with the lack of road repairs/repaving in the town and am puzzled by county priorities in repairing roads in excellent shape while not repairing roads in much worse shape.

I've attached a copy of a letter sent to county supervisors and Public Works, for your information.

I appreciate your taking the time to review.

Robert W. Hunter - Bolinas residen
