Notice of Approved Road Repair and Maintenance Work in the Public Right-of-Way

Dear Neighbor,

This letter is to inform you that the Bolinas Community Public Utility District (BCPUD) has issued a permit to a community member for road repair and maintenance work in the public right-of-way near your address.

BCPUD encourages community members to maintain and improve road conditions in a manner that is safe, environmentally responsible, and respectful of neighbors. Work in the public right-of-way (ROW) on the Gridded Mesa requires a no-cost permit from the BCPUD. The permit was requested by your neighbor and has been reviewed and approved by BCPUD staff. The proposed work qualifies as repair and maintenance of an existing road, which is permitted under BCPUD's guidelines for work in the ROW.

If you have questions about this project or the permitting process, please contact our office at (415) 868-1224 or visit us at 270 Elm Road.

Thank you for your attention and cooperation.

Sincerely,

Bolinas Community Public Utility District
