- Call meeting to order
- Roll (present: A. Alexander Green, G. Godino, K. Walker, J. Siedman; virtual: K. McElroy)
- Community expression: Janine Aroyan wishes to make a comment about garbage at the end of Wharf and Brighton. Janine reminds the Board of the Bolinas Beach Committee in 2008 that dealt with banning camping and fires, as well as trash. Prior General Manager Blackman told the committee that the Coastal Commission would require the Pinkus family to make a large allowance towards improvements at the Brighton Beach sea wall, including garbage collection. Janine has spoken with Randy at the Bolinas Community Center about the BCC being a pass-through for the funding and working together to continue beach entrance improvements and public awareness. GM Woods explains that this subject was discussed at the November Board meeting; BCPUD is working with the sea wall improvement project planners and the BCC on trash at Brighton and Wharf beach entrances. Wendy Botwin adds that Recology is also supposed to be getting involved.

(5:00) Jennie Pfeiffer encourages everyone to support the nurses' union.

- Consider amending order of agenda items **(6:15)** No changes

ACTION ITEMS

PUBLIC HEARINGS, RECEIPTS & NOTICES

1. None

SPECIAL REPORTS OR UPDATES—Action Requested

2. **Resident Permit Parking Plan Committee—Final Update—Sherry Hirsch (6:42)** Sherry Hirsch shares a [Resident Permit Parking Plan Committee report](#). Loose ends for the committee include placement of signage on Wharf and Brighton, enforcement, permit issuance. Members of the committee agreed to form a community group that will meet quarterly, with Director Walker to participate and bring relevant issues to the BCPUD Board. Wendy Botwin comments that the parking permits haven't been enforced and requests that anyone with a short-term rental please inform their guests about the parking restrictions.
3. **Formation of a Downtown Citizens Group—Proposal for Citizens Group to Provide Quarterly Updates to the BCPUD Board of Directors—Sherry Hirsch & Director Walker (14:57)** [GM Woods shares a memo regarding the Citizens Group](#). The group will update the

BCPUD Board on issues impacting the downtown corridor. Discussion of permit parking enforcement and parking difficulties on Wharf, discussion of Director Walker's role in the Downtown Citizens Group.

4. **BCPUD & BFPD Hazard Tree Report (21:52)** GM Woods shares the draft [Hazard Tree Report](#) prepared jointly by BCPUD staff and the Bolinas Fire Protection District (BFPD) to meet the declaration of emergency from the Governor's office. The report outlines hazardous tree mitigation priorities and strategies for Zone 5 and related areas. GM Woods expresses the amount of time and energy invested in this report and her gratitude to the BFPD for their partnership.

CONTRACTED WORK, RELATED RESOLUTIONS & APPROVALS

5. **Board to Consider Approval of Proposal to Review and Update Legal Opinion on Bolinas Mesa Rights of Way—Somach, Simmons and Dunne (23:35)** GM Woods explains that Ordinance 30 needs to be revised. The estimated cost for Somach, Simmons and Dunne to review the 2007 legal opinion, clarify District rights and responsibilities, prepare a revised ordinance is \$18,040. GM Woods recommends the Board consider budgeting for this work in the next fiscal year. Discussion of whether delaying work will significantly increase cost. GM Woods reviews [details of proposal](#) and discusses the need to bring material previously shared in closed sessions into the public.

Motion to approve proposal **(34:52)**

K. Walker / G. Godino

All in favor to approve proposal.

6. **Board to Consider Approval of Proposal to Prepare CEQA Initial Study for Bolinas Eucalyptus Project (BEP)—County of Marin's Environmental Planning & Grassetti Environmental Consultant (GEC) (37:47)** The County of Marin has reviewed and accepted Grassetti Environmental Consulting's proposal to prepare an Initial Study under CEQA for the BEP. The Initial Study will determine whether a Mitigated Negative Declaration or a focused Environmental Impact Report (EIR) is required. The total estimated cost for this work is \$85,914, which includes consultant fees and County administration/overhead. GM Woods recommends that BCPUD does not pursue moving the project forward through CEQA, and instead continues with the partnership with BFPD. Discussion of rationale for pursuing partnership with BFPD including difficulty of pursuing both paths in parallel, possibility of resuming BEP project at a later time, BFPD's access to funding. GM Woods offers clarification: If the Board does not approve the proposal, BCPUD Staff recommends that the Board direct the Staff to rescind the BEP's CDP application from County of Marin, and that the Board resubmit a revised Tree Removal proposal, in the future, once the BCPUD & BFPD project has been executed. Board members express hesitation to rescind application without first receiving approval from BEP. Discussion of BCPUD not being able to afford the work.

DISTRICT ISSUED PERMIT & APPROVALS

7. None

BUDGETARY/FINANCIAL RESOLUTIONS & APPROVALS

8. None
