BPUD

I would like to donate a set of my electric lanterns to the BPUD. They are made of wood and have LED lights that when on illuminate a beautiful soft light that enhances the room or building they are in. I have been looking for nonprofits and worthy organizations to give my lanterns to and ideally would like to donate them to a local organization so that they stay in town. I hope that before a final decision is made you will come see what I am offering.

Thank you *DAVID*
