October 2026

Candidates Night –

BCPUD Board of Directors Election

A Candidates Night has been scheduled for Monday, October 12, 2026, at 6:00 p.m. The event will be held in person at the Bolinas Firehouse Meeting Room, 100 Mesa Road, Bolinas (attendance via Zoom using the usual BCPUD meeting link). This event will provide an opportunity for community members to hear from the four candidates running for three open seats on the BCPUD Board of Directors: Grace Godino (incumbent), Andrew Alexander Green (incumbent), Nate Siedman, and Mickey Murch.

Community members are encouraged to submit questions for the candidates in advance. Questions may be emailed to the BCPUD office at bcpud@bcpud.org; mailed to the BCPUD office at PO Box 390, Bolinas, CA 94924; delivered in person to 270 Elm Road, Bolinas; or placed in the BCPUD office mail slot after hours. Please attend this informative event and take the opportunity to hear directly from the candidates on matters of local concern.

Nick, Evan, Sean and Lucas at the BCPUD office

Meet the Field Staff!

BCPUD is pleased to introduce our new Shift Operators, Nick Weismiller and Lucas Moore. Nick was raised in Bolinas and lives here with his family, while Lucas commutes from San Francisco to support District operations. Shift

Operators play a vital role in maintaining the District's water and wastewater systems and helping ensure reliable service for our customers. Nick and Lucas join BCPUD's current operators, Evan Kahn and Sean Morgan.

We are thrilled to be fully staffed and look forward to the experience and fresh perspectives that Nick and Lucas bring to the team.

Cedar Road

Drainage Projects

The BCPUD is currently undertaking several drainage projects on the Gridded Mesa. While the BCPUD is able to perform certain clearing and drainage maintenance work on the Mesa, please note that drainage facilities and roadway drainage along paved roads within the Gridded Mesa are generally the responsibility of the County of Marin. As part of our storm preparedness efforts, the BCPUD plans to provide the County with a list of drainage ways and culverts within the County right-of-way that we believe need attention. We also strongly encourage residents to report drainage or roadway conditions that require clearing or maintenance directly to the County through FixItMarin:

<https://www.marincounty.gov/how-do-i/fixitmarin>

If you submit a request to the County, please let the BCPUD know what issue you reported. Thank you for helping us prepare for the upcoming winter season and for working with us to address drainage concerns throughout the community.

Customer Corner

Paperless Billing

Please consider going paperless! By signing up for online billing, you will have instant access to your account information anytime. Note: registering to receive your bill via email does not obligate you to pay online; you can always pay with cash or check through US mail or in-person. Visit <https://bcpud.viewmybill.net/> to get started. For assistance, email BCPUD's Administrative Aide, Annie Laufman: alaufman@bcpud.org

Green Bin Materials

As always, please use your green compost bin to dispose of food scraps, soiled paper, paper bags, and plant materials. Do not place compostable material in plastic or compostable plastic bags; regional compost facilities cannot process these materials. For more information on accepted compost materials, please visit:

<https://www.recology.com/recology-sonoma-marin/novato/what-goes-where/>

Contact Information

Please let BCPUD know whenever you experience a change of mailing address, phone number, property ownership, or tenancy so that we may update our records. Correct contact information ensures that you are properly notified when an emergency arises, and/or when there are items of interest to you on the agenda of our monthly Board of Directors meeting.
